**The countdown to Alpaca 2016 has begun.**

**Only 7 months to go until we kick off the 13th AANZ National Alpaca Show.**

## National Show Schedule & Timeline

The 2016 National [Show Schedule](#) is now available. There have been a few changes to the schedule this year. A veteran class has been introduced, so time to show off those older animals with amazing attributes still. Also the Grey & Roan classes have been split into individual classes. If you have any doubts about the colour of your animals fleece, we strongly recommend you are on site at 7:00-7:30am to have a colour check. Due to this show only being 2 days we need to ensure there are no unnecessary delays.

Finally, check out the Most Successful New Breeder Awards and the Most Successful Exhibitor Award that will be available at this years National Show. Entry is Free and we look forward to seeing the results.

## Outpost Buildings

Sponsorship is great value for money as packages have been designed to give you a number of items that you would otherwise pay for and lots of extra promotional perks that you just can't buy. You must promote yourself if you are to achieve sales and this is one event you cannot afford to miss out on.

The earlier the sponsorship is taken out, the more exposure you get with your logo displayed on the Expo website. [Click here](#) for more information

## Trade Stands

A trade stand offers a unique opportunity to promote your products and business to the public and other alpaca breeders.

What better way for your business to take advantage of Alpaca 2016 and get your name out there. We all know how popular alpacas are with the public and the Alpaca 2016 marketing campaign will ensure the public is well aware that alpacas will be on show.
